

Tourist Corridor
www.loscabosguide.com

The Tourist Corridor is a playground on the edge of the world, where the desert disappears into the sea. A four-lane highway carves through the 18-mile Tourist Corridor connecting Cabo San Lucas and San José del Cabo. Along the way championship golf courses and luxury resorts wind along the stunning coastline with many sandy beaches ideal for a relaxing stroll.

Querencia

Querencia is located on the main highway that connects the airport to both San Jose del Cabo and Cabo San Lucas

- This highway is called the Transpeninsular
- Coming from the airport, once you exit the airport toll road, Q entrance is approximately 1.5 miles driving on the Transpeninsular highway at Km 27.5.
- Querencia's sign is clearly visible from this road
- Coming from the direction of Cabo San Lucas, we are approximately half a mile from Palmilla, where the One&Only resort is located, driving on the Transpeninsular highway
- If you should be staying at a hotel, the Concierge would be able to furnish you with a map showing the Transpeninsular highway, this being the main access to most hotels and landmarks
